Dear Bro. Deroian:

This letter is in response to your May 7, 2009 inquiry requesting clarification of Article VII, Section 1E of the State by-laws.

You are correct in your understanding of the above-noted by-law. As long as you hold an office on the State Executive Board, your Local election will not take place. Only when you are voted off the Executive Board will you have an election on the Local level.

I hope this clarifies your understanding. If you have any questions, please do not hesitate to contact me.

Benevolently,

Michael DiGuilmi
Chairman
